The Architectural Control Committee, at its sole discretion, is hereby permitted ~~to grant variances, deviations, exceptions, or waivers to any of the above restrictions~~ building area and location in instances where, in their judgments, such deviation will result in a more commonly beneficial use. ~~within seven (7) days,~~ that Memorial Northwest Maintenance
Fund, Inc., will cause the grass, vegetation and weeds to be
so cut and the lot owner shall be liable for the reasonable
costs of having the grass, vegetation and weeds cut. To
secure the payment of said costs of having the lot so cut,
there is a reserved Vendor's lien on each lot for the benefit of
Memorial Northwest Maintenance Fund, Inc., said liens to be
enforceable through appropriate proceedings at law by such
beneficiary; provided, however, that each such lien is specific-
ally made secondary, subordinate and inferior to all liens-
present and future, given, granted and created by or at the
instance and request of the owner or owners of any such lot
to secure the payment of monies advanced or to be advanced on
account of the purchase price and/or the improvement of any
such lots; and further provided that as a condition precedent
to any proceeding to enforce such lien upon any lot upon which
there is an outstanding, valid and subsisting first mortgage
lien, said beneficiary shall give the holder of such first
mortgage lien sixty (60) days written notice of such proposed
action, such notice, which shall be sent to the nearest office
of such first mortgage holder by prepaid U.S. Registered Mail,
to contain the statement of the charges upon which the
proposed action is based. Upon the request of any such first
mortgage lienholder, said beneficiary shall acknowledge in
writing its obligation to give the foreclosing notice with
respect to the particular property covered by such first
mortgage lien to the holder thereof.

18. TERM: These covenants and restrictions shall
run with the land and shall be binding on all successors in title
to said property forever, except as otherwise provided in this

110-96-0178

... parked on any lot, driveway or street except in a closed garage.

10. SIGNS: No signs of any kind shall be displayed to the public view on any lot except one sign of not more than 5 square feet advertising the property for sale or rent, or signs by a builder to advertise the property during the construction and sales period. The Architectural Control Committee reserves the right to approve the design and wording of all signs, and reserves the right to enter in and upon any lot for the purpose of removing any sign being maintained thereon which has not been approved and shall not be liable to any person or persons for any damages of whatsoever nature in doing so.

11. FENCES: Unless approved by the Architects' Control Committee, no cyclone or cyclone type (being a fence composed of wire and metal) fence may be erected on any lot and all fences located along the outer perimeter of any lot must be six (6) feet high and constructed of cedar wood.

No service or other structures designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

13. LIVESTOCK AND POULTRY: No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except that not more than two (2) does, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose.

110-96-014

until January 1, 1995, after which time said covenants and restrictions shall be automatically extended for successive periods of ten years unless an instrument signed by a majority of the then owners of such lots is filed for record in Hays County, Texas, altering, rescinding or modifying said covenants and restrictions in whole or in part.

19. MAINTENANCE FUND: Each lot shall be subject to an annual maintenance charge of up to seven mills per square foot of lot area, but no less than \$84 per year per residence for the purpose of creating a maintenance fund, and which maintenance fund charge shall be paid by the owner or owners of each lot in conjunction with like charges to be paid by all other lot owners. This maintenance charge will be paid by the owner or owners of each lot within said 7.8468-acre tract to Memorial Northwest Maintenance Fund, Inc., in advance annual installments to be determined by Memorial Northwest Maintenance Fund, Inc., the date of payment thereof commencing on January 1st of the year immediately following the year in which said lot, with residence constituting thereon, was sold by the builder of said residence.

The amount to be paid on the first annual payment date shall be the pro rata portion of the year of sale in which the payee-owner or owners owned the respective lot with residence thereon, plus the advance payment for the year subsequent to the year of such sale. In the event that on what a owner of a respective lot, other than a builder owns a lot and does not construct a residence thereon, such non-building owner shall commence paying the maintenance charge and assessment hereof in the amount herein prescribed when requested to do so by Memorial Northwest Maintenance Fund, Inc., the rate at which the same is increased in

110-96-0142

The aforesaid maintenance may be adjusted from year to year by Memorial Northwest Maintenance Fund, Inc., as the needs of the subdivision may in the judgment of Memorial Northwest Maintenance Fund, Inc., require, up to seven mills per square foot per year, but not less than \$8 per residence per year.

The maintenance fund shall be applied, insofar as possible, in maintaining, repairing, preserving and maintaining or installing of streets, paths, parks, parkways, esplanades, vacant lots, lighting, fogging, employing policemen and workmen, and any other things necessary or desirable in the opinion of Memorial Northwest Maintenance Fund, Inc., to maintain or improve the property, or which it considers to be of general benefit to the owners or occupants of the property covered by these restrictions, it being understood that the judgment of Memorial Northwest Maintenance Fund, Inc., in its expenditure of said fund shall be final so long as said judgment is exercised in good faith.

The maintenance charge shall remain effective until January 1, 2000, and shall automatically be extended thereafter for successive periods of five years; provided, however, that the owners of the majority of the lots may revoke such maintenance charge on either January 1, 2000, or at the end of any successive five (5) year period thereafter by executing and acknowledging an appropriate agreement or instrument in writing for such purpose and filing the same for record in the Office of the County Clerk of Harris County, Texas, at any time prior to January 1, 2000, or at any time prior to the expiration of any successive five (5) year period thereafter.

To secure the payment of the maintenance fund established hereby and to be levied on individual residential lots as above prescribed, there is hereby created a millage,

110-96-0143

lien on each such lot for the benefit of Memorial Northwest Maintenance Fund, Inc., said liens to be enforceable through appropriate proceedings at law by such beneficiary; provided, however, that such lien is specifically made secondary, subordinate and inferior to all liens, present and future, given, created and created by or at the instance and request of the owner or owners of any such lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any such lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any lot on which there is an outstanding, valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of such first mortgage holder by prepaid U.S. Registered Mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, said beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof.

20. RIGHTS OF MORTGAGORS: Any violation of any of the easements, agreements, restrictions, reservations, or covenants contained herein shall not have the effect of invalidating or affecting the rights of any mortgagor, grantor, or trustee under any mortgage or deed of trust outstanding against the lot, at the time that the easements, agreements, restrictions, reservations or covenants are violated.

21. DISCHARGE: The covenant, easements, restrictions, reservations and covenants set out herein shall be discharged.

110-96-0144

of the undersigned, their heirs, successors and assigns, and equally for the benefit of any subsequent owner or owners of a lot or lots in said 7.8468-acre tract, and his heirs, executors, administrators and assigns. Accordingly, all of the covenants, reservations, easements and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity, by any one or more of said parties.

22. IMPROVEMENT ASSOCIATION: Memorial Northwest Maintenance Fund, Inc., may, at its discretion, assign or transfer any or all rights, privileges or powers accruing to it by virtue of these restrictions for said 7.8468-acre tract to any incorporated or unincorporated improvement association. To the extent of any assignment or transfer that may be made by Memorial Northwest Maintenance Fund, Inc., the assignee improvement association shall stand in the stead of Memorial Northwest Maintenance Fund, Inc., for all purposes incident to the transfer or assignment and shall be subject to the duties and obligations prescribed by these restrictions as if the assignee improvement association were originally named herein.

23. SEVERABILITY: The invalidity, abandonment or waiver of any one of these covenants, reservations, easements, and restrictions shall in no way affect or impair the other covenants, reservations, easements and restrictions which shall remain in full force and effect.

24. EXECUTION: Each of said lienholders above named joins in the execution of this instrument to evidence its ratification, confirmation and adoption of each restrictive covenant hereof.
