RESTRICTIONS

193-34-2441

1. BUILDING SITES. No building site in said tract shall have a frontage of less than 52 feet; all corner tracts shall be deemed to front upon the road or street of their smallest dimension. As used in this document, the word "lot" shall mean each building site created out of the 4.8374 acre tract.

2. LAND - USE AND BUILDING TYPE. No lot shall be used for any purpose except for single family residential purposes. The term "residential purposes," as used herein, excludes hospitals, clinics, duplex houses, garage apartments, apartment houses, boarding houses, hotels and commercial and professional uses, whether for homes, residences or otherwise, and all such uses of the lots are expressly prohibited (such prohibited use to include, without limitation, any of the foregoing business or commercial uses which may be incidental to the use of any lot primarily as a residence). No building shall be erected, altered, placed or permitted to remain on any lot other than one single family dwelling not to exceed two stories in height and a private garage for not more than four cars and permitted accessory structures. Declarants, by and through their representatives, James L. Goettee and James L. Goettee, Jr., or their assigns, reserve the right to modify the restrictions regarding land use and building type where they deem such modification will result in a more commonly beneficial use. Such modifications will be granted in writing and when given will become a part of these restrictions.

3. ARCHITECTURAL CONTROL. No buildings, improvements, structures or other objects of any size or character, whether temporary or permanent, whether substantial or insignificant, shall be constructed, erected, placed, modified, or altered on any lot, or the erection thereof begun, including, without limitation, original construction on any lot or homesite and any subsequent modification or addition thereto, until the construction plans and specifications and a plan showing the location of the building, improvements, structure or other object have been approved by Declarants (or the Homeowners Association, if then in existence) as to use, quality of workmanship and materials, harmony of external design with existing buildings, improvements, structures and objects, and as to location with respect to topography and finish grade elevation. Each building shall have either a wood shingle, tile or built up or composition roof. However, the construction of any type of roof (including the foregoing types) shall not be permitted except with the express

written consent of James L. Goettee and James L. Goettee, Jr., or their assigns. James L. Goettee and James L. Goettee, Jr., or their assigns, may designate a representative to act for them. The herein granted powers and duties shall cease and terminate twenty (20) years after the date of this instrument, and the approvals required by this paragraph shall not be required unless prior to said date Declarants have executed and recorded, without the necessity of consent of any other persons, an amendment to this Declaration, establishing or providing for a Homeowners Association or similarly named entity (the "Association"), which shall thereafter exercise the same powers and duties granted herein to Declarants (or James L. Goettee or James L. Goettee, Jr.). The approvals or disapprovals as required in this Declaration, shall be in writing. The rules, regulations, rights and duties of the Association shall be established by Declarants in their sole discretion, and no other person's consent shall be required to establish same. If such person or persons, or their designated representatives, fails to give written approval, or disapproval, within thirty (30) days after plans and specifications have been submitted to such person or persons, approval of plans will not be required and the covenants related to such plans shall be deemed to have been fully satisfied. Such person (or persons), at his sole discretion, is hereby permitted to approve deviations in building area and location in instances where, in such person's judgment, such deviation will result in a more commonly beneficial use. Such approval must be granted in writing by James L. Goettee and James L. Goettee, Jr., or their assigns.

4. DWELLING SIZE AND CONSTRUCTION. The livable area of each main residential structure, exclusive of open or screen porches, stoops, open terraces, garages, or detached servant quarters, shall not be less than 2,500 square feet.

5. BUILDING LOCATION. No building shall be located on any lot nearer to the front line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. In any event, no building shall be located on any residential building plot nearer than 25 feet to the front lot line, nor nearer than ten feet (10') to any side street lot line, unless otherwise noted on the recorded plat, nor nearer than five feet (5') to the rear lot line, nor nearer than three feet (3') to any side lot line except that a detached garage shall be no nearer than two feet (2') to any side lot line. No

fence, wall, hedge, pergola or other detached structures or objects shall be erected, grown, maintained or placed on any part of the lot forward of the front or side building line of any corner lot on the side facing a street.

6. LOT WIDTH. Lots may be re-subdivided into building sites comprised of a part of one or more lots as platted, PROVIDED that no dwelling shall be erected or placed upon any building site having a width of less than fifty-two (52) feet at the front building setback line shown on the recorded plat of said subdivision.

7. NUISANCES. No noxious or offensive activity shall be permitted upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

8. TEMPORARY STRUCTURES. No structure or object of any size or character of a temporary character, including, without limitation, any trailer, basement, tent, shack, garage (except for living quarters contained therein for bona fide servants) barn or other outbuildings shall be placed or used on any lot at any time as a residence either temporarily or permanently. Temporary or portable buildings or trailers for office purposes may be used during construction when approved by James L. Goettee and James L. Goettee, Jr., or their assigns.

9. VEHICLE PARKING IN DRIVEWAYS AND STREETS. No boat(s) of any type, trailer(s) of any type, camper(s) and/or mobile home(s) of any character, no tractor(s) of any type, no farm equipment of any type, and no truck(s) and/or commercial vehicle(s) having a rated load capacity in excess of one ton may be permanently parked or stored on any lot, driveway or street except in a closed garage or in such a manner that it is not visible from any street. Any such vehicle so parked or stored for a period of time in excess of sixty (60) cumulative hours during any seventy-two hour period shall be deemed to have been parked or stored in a permanent manner.

No motor vehicle may be parked on any street for a period in excess of twenty-four (24) consecutive hours out of any forty-eight (48) hour period.

No truck, trailer or commercial vehicle having a rated load capacity in excess of one ton may be parked overnight on any lot, driveway or street nor at any time other than as may be reasonably required incident to construction work on or delivery or pickup of goods, wares and/or merchandise to or from or household premises installations and repairs upon any lot.

No motor vehicle may be parked on any street unless the motor of said vehicle is running, except that during construction and sales period vehicles may be parked on the street when necessary, subject to the control and approval of James L. Goettee and James L. Goettee, Jr., or their assigns.

Motor vehicles which are inoperative, inoperative herein defined to mean not in running order, may not be parked or stored on any lot, driveway or street except in a closed garage.

10. SIGNS AND ANTENNAE RESTRICTIONS. James L. Goettee and James L. Goettee, Jr., or their assigns, reserve the right to approve the design and wording of all signs, and reserve the right to enter in and upon any lot for the purpose of removing any sign being maintained thereon which has not been approved and shall not be liable to any person or persons for any damages of whatsoever nature in doing so.

No lot owner shall construct or cause or allow to be constructed any antenna of any type or kind whatsoever external of the main residence structure. It is the purpose of this covenant to expressly prohibit the construction or placement of any antennas where such construction would make said antennas visible from any portion of the 4.8374 acre tract or any property outside of said lot.

11. FENCES. Unless approved by James L. Goettee and James L. Goettee, Jr., or their assigns, no cyclone or cyclone type (being a fence composed of wire and metal) fence may be erected on any lot and all fences located along the outer perimeter of any lot must be six (6) feet high and constructed of cedar wood. Fences facing any street within the subdivision shall be built with the smooth side facing the street, the post and rails side facing the interior of the lot.

12. OIL AND MINING OPERATIONS. No drilling, oil or mineral storage, oil development operation, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structures designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

13. OBSTRUCTIONS. No object or thing which obstructs site lines and elevations between 2 feet and 6 feet above the roadways within the triangular area formed by intersecting curb lines and a line connecting them at points 25 feet from the intersection of the street lines or extensions thereof shall be placed, planted or permitted to remain on corner lots.

14. GOOD HUSBANDRY. All improvements on each lot shall be kept and maintained by the owner or owners thereof in good repair and condition in accordance with good husbandry and with a neat and attractive aesthetic appearance. No improvements on any lot will be permitted to exist in a rundown condition or with an unkept, unattractive or unaesthetic appearance; i.e., no peeling paint, warping doors, delapidated fences or similar conditions will be permitted on any lot. In the event all improvements on each lot are not so kept and maintained in good repair and condition and with a neat and attractive appearance, Memorial Northwest Maintenance Fund, Inc., shall notify the lot owner in writing of such person's default and inform the lot owner that unless the improvements are repaired and reconditioned and made neat and attractive within seven (7) days, that Memorial Northwest Maintenance Fund, Inc., will cause the same to be done and the lot owner shall be liable for the reasonable costs of having the same done. To secure the payment of said costs, there is a reserved Vendor's Lien on each lot for the benefit of Memorial Northwest Maintenance Fund, Inc., said liens to be enforceable through appropriate proceedings at law by such beneficiary; provided, however, that each such lien is specifically made secondary, subordinate and inferior to all liens, present and future, given, granted and created by or at the instance and request of the owner or owners of any such lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any such lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any lot upon which there is an outstanding, valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of such first mortgage holder by prepaid U.S. Registered Mail, to contain the statement of the charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, said beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof.

15. LIVESTOCK AND POULTRY. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except that not more than two (2) dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose.

16. GARBAGE AND REFUSE DISPOSAL. No lot shall be used or maintained as a dumping ground for rubbish. Trash garbage and other waste shall not be kept except in tightly fitting, sealed sanitary containers and shall be placed in an area screened by planting or fencing. All trash and debris shall be removed from each lot from time to time as is consistent with good health standards. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. However, normal construction wastes may be accumulated on a lot during construction, provided such accumulation does not become unreasonable in the opinion of James L. Goettee and James L. Goettee, Jr., or their assigns.

17. LAND NEAR PARKS AND WATER COURSES. No building shall be placed nor shall any material or refuse be placed or stored on any lot within twenty feet (20') of the property line of any park or edge of any open water courses, except that clean fill may be placed nearer provided that the natural water course is not altered or blocked by such fill.

18. SEWAGE DISPOSAL AND WATER SUPPLY. No water well, cesspool or other individual sewage systems shall be constructed or used on any lot, but each lot must use the water and sewer services provided by Gulf Coast Waste Disposal Authority or through Harris County Municipal Utility District No. 24.

19. CUTTING WEEDS AND DRAINAGE. Grass, vegetation and weeds on each lot shall be cut as often as may be necessary in order to maintain the same in a neat and attractive appearance. Likewise, all drainage ditches shall be maintained in the same manner and shall be unobstructed at all times. Any bridge or culvert constructed over property line ditches shall be of concrete pipe and a minimum of 18 inches in diameter, unless the depth of the ditch shall require a larger size for proper drainage. In the event grass, vegetation and weeds are not cut so that the lot is not maintained in a neat and attractive appearance, Memorial Northwest Maintenance Fund, Inc. shall notify the lot owner in writing of such person's default and inform the lot owner that unless the grass, vegetation and weeds are cut so that the lot is neat and attractive within seven (7) days, the Memorial Northwest Maintenance Fund, Inc. will cause the grass, vegetation and weeds to be so cut and the lot owner shall be liable for the reasonable costs of having the grass, vegetation and weeds cut. To secure the payment of said costs of having the lot so cut, there is a reserved Vendor's Lien on each lot for the benefit of Memorial Northwest Maintenance

Fund, Inc., said liens to be enforceable through appropriate proceedings at law by such beneficiary; provided, however, that each such lien is specifically made secondary, subordinate and inferior to all liens, present and future, given, granted and created by or at the instance and request of the owner or owners of any such lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any such lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any lot upon which there is an outstanding, valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of such first mortgage holder by prepaid U.S. Registered Mail, to contain the statement of the charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, said beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof.

20. TERMS. These covenants and restrictions are to run with the land and shall be binding on all owners of lots in the 4.8374 acre tract and all persons claiming under them until January 1, 2015, after which time said covenants and restrictions shall be automatically extended for successive periods of ten years unless an instrument signed by the then owners of at least seventy-five percent (75%) of the lots is filed for record in Harris County, Texas, altering, rescinding or modifying said covenants and restrictions in whole or in part.

21. MAINTENANCE FUND. Each lot shall be subject to an annual maintenance charge of not less than \$109.00 per year per residence for the purpose of creating a maintenance fund, and which maintenance fund charge shall be paid by the owner or owners of each lot in conjunction with like charges to be paid by all other lot owners. This maintenance charge will be paid by the owner or owners of each lot within the 4.8374 acre tract to Memorial Northwest Maintenance Fund, Inc., in advance, annual installments to be determined by Memorial Northwest Maintenance Fund, Inc., and the date of payment thereof commencing on January 1st of the year immediately following the year in which said lot, with residence constructed thereon, was sold by the builder of said residence.

The amount to be paid on the first annual payment date shall be the prorata portion of the year of sale in which the payor-owner or owners owned the respective lot with residence thereon, plus the advance payment for the year subsequent to the year of such sale. In the event that an owner or owners of a respective lot, other than a builder, owns a lot and does not construct a residence thereon, such nonbuilding owner shall commence paying the maintenance charge and assessment thereof in the manner herein prescribed when requested to do so by Memorial Northwest Maintenance Fund, Inc. <sup>H.O.N. M.F. Inc.</sup> The rate at which each lot will be assessed will be determined annually, and may be adjusted from year to year by Memorial Northwest Maintenance Fund, Inc., <sup>H.O.N. M.F. Inc.</sup> as the needs of the subdivision may in the judgment of Memorial Northwest Maintenance Fund, Inc., require, but not less than \$109.00 per residence per year.

The maintenance fund shall be applied, insofar as it may be sufficient, toward the payment for maintenance or installation of streets, paths, parks, parkways, esplanades, vacant lots, lighting, fogging, employing policemen and workmen, and any other things necessary or desirable in the opinion of Memorial Northwest Maintenance Fund, Inc. to maintain or improve the property, or which it considers to be of general benefit to the owners or occupants of the property covered by these restrictions, it being understood that the judgment of Memorial Northwest Maintenance Fund, Inc., in the expenditure of said fund shall be final so long as said judgment is exercised in good faith.

The maintenance charge shall remain effective until January 1, 2015, and shall automatically be extended thereafter for successive periods of five years; provided, however, that the owners of at least seventy-five percent (75%) of the lots may revoke such maintenance charge on either January 1, 2015, or at the end of any successive five (5) year period thereafter by executing and acknowledging an appropriate agreement or agreements in writing for such purpose and filing the same for record in the Office of the County Clerk of Harris County, Texas, at any time prior to January 1, 2015, or at any time prior to the expiration of any successive five (5) year period thereafter.

To secure the payment of the Maintenance Fund established hereby and to be levied on individual residential lots as above prescribed, there is hereby reserved a Vendor's Lien on each such lot for the benefit of Memorial Northwest Maintenance Fund, Inc., <sup>H.O.N. M.F. Inc.</sup> said liens to be enforceable through appropriate

proceedings at law by such beneficiary; provided, however, that each such lien is specifically made secondary, subordinate and inferior to all liens, present and future, given, granted and created by or at the instance and request of the owner or owners of any such lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any such lot; and further provided that as a condition precedent to any proceeding to enforce such lien upon any lot on which there is an outstanding, valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action, such notice, which shall be sent to the nearest office of such first mortgage holder by prepaid U. S. Registered Mail, to contain the statement of the delinquent maintenance charges upon which the proposed action is based. Upon the request of any such first mortgage lienholder, said beneficiary shall acknowledge in writing its obligation to give the foregoing notice with respect to the particular property covered by such first mortgage lien to the holder thereof.

22. RIGHTS OF MORTGAGEES. Any violation of any of the easements, agreements, restrictions, reservations, or covenants contained herein shall not have the effect of impairing or affecting the rights of any mortgagee, guarantor, or trustee under any mortgage or deed of trust outstanding against the lot, at the time that the easements, agreements, restrictions, reservations, or covenants are violated.

23. ENFORCEMENT. The covenants, reservations, easements and restrictions set out herein are for the benefit of the undersigned, their heirs, successors and assigns, and equally for the benefit of any subsequent owner or owners of a lot or lots in the 4.8374 acre tract, and their heirs, executors, administrators and assigns. Accordingly, all of the covenants, reservations, easements, and restrictions contained herein shall be construed to be covenants running with the land, enforceable at law or in equity by any one or more of said parties.

24. JAMES L. GOETTEE AND JAMES L. GOETTEE, JR., OR THEIR ASSIGNS. Either James L. Goettee or James L. Goettee, Jr. or either of Declarants, may, at the discretion of each, assign or transfer any or all rights, privileges or powers accruing to said person or entity by virtue of these restrictions for the 4.8374 acre tract to any person or persons who shall stand in the stead of said entity or person, for all purposes incident to the transfer or assignment and shall be subject to the duties and obligations prescribed by these restrictions as if the

assignee person, persons or entity were originally named herein. Specific reference is made to the provisions of paragraph 3 providing for the right of Declarants to establish or provide for the Association to exercise the rights and duties of Declarants (or their representatives, James L. Goettee and James L. Goettee, Jr.) pursuant to this Declaration.

25. IMPROVEMENT ASSOCIATION. Memorial Northwest Maintenance Fund, Inc. may, at its discretion, assign or transfer any or all rights, privileges or powers accruing to it by virtue of these restrictions for the 4.8374 acre tract to any incorporated or unincorporated improvement association which shall stand in the stead of Memorial Northwest Maintenance Fund, Inc., for all purposes incident to the transfer or assignment and shall be subject to the duties and obligations prescribed by these restrictions as if the assignee improvement association were originally named herein.

26. SEVERABILITY. The invalidity, abandonment or waiver of any one of these covenants, reservations, easements, and restrictions shall in no way affect or impair the other covenants, reservations, easements and restrictions, which shall remain in full force and effect.

27. NO LIENHOLDER. No lienholder joins in the execution of this Declaration because there are no loans secured by the 4.8374 acre tract.

WITNESS OUR HANDS this 30 day of Sept., 1987.
