

Security Committee for Memorial NW
Wednesday Aug. 10, 2016

The Security Committee met at 7 pm at the Community Center. Committee members were in attendance; Karen Blackwell, Alan Blankenship, Maciel Lopez, Carol McNally and Ron Jensen. Desmond Vickery was absent and we were later notified he regrettably had to resign from the committee due to increase work projects. At the same time, one other MNW homeowner has joined the Security Committee; Roland Jensen Area 7.

- Meet the Citizen 14
- Susp. People-4
- Vacation watch-28
- Fireworks Dist.-4
- In Progress-2
- Burglary-6

National Night Out

Tuesday, October 4, 2015.

The committee finalized a theme, Community Awareness, for National Night Out 2016. It was decided to piggy back the Fire Prevention Week 2016 theme of smoke alarm safety with emergency preparedness through strengthened neighborhood and police relations. We received the go ahead about planning for a subdivision wide event to take place in the Community Center parking lot.

Alan would contact the Klein VFD as well as local fire stations to see if they would participate with personnel and a truck etc. As far as fire department goes, it would be a show and tell event

for the public to look view the truck and equipment, for photo ops and some Q & A for the fire fighters. We would get an Engine out of Station 4 which is the station behind the Post Office off Louetta. Alan has also contacted Cypress Creek EMS. Sgt. Romine has returned to work and resumed his duties as the Contract Sergeant and Sgt. Boehm has passed along my inquiry about what level of participation to expect from the sheriff's office.

We broke out the tasks to find specific information and cost options for food, advertisement and children's activities. Also to determine availability of kitchen and serving items at community center for our use. It was further decided after reviewing past costs involved for events at the Community Center we would propose an itemized listing of projected expenses to treasurer for guidance and support in developing a budget for this type of event.

Recent/Current Security Issues

Homeowner's vehicles broken into and items stolen

Homeowner's vehicles stolen

Second committee member's vehicle broken into

Driving issues on Theisswood Road near Steubner.

Dog walking issues- loose pit bulls (Dog Watch)

Humble area inmate escape-

Solicitors late at night

Respectfully submitted:

Karen Blackwell
